Take a walk through the Magic Kingdom with us this spring during our annual spring ice show, on May 12-13, 2017. This year's theme is Disney! We will be using animated Disney movies that are represented in the different lands and amusement rides within the Magic Kingdom. The list below are approved movies for our soloists, duets and trios to choose from on December 7. We will be using the number system that we have used in the past to choose music. A movie may only be used once within the show so we recommend having multiple back up options. Once your movie is selected, we will discuss options for the music. We have also listed the tentative groups and suggest NOT picking a movie for your solo, duet and/or trio within the same land. If you have questions, please feel free to contact Angie at atousignant@kvpd.com. We look forward to seeing you on December 7!
